

COVID-19 STUDY

COVID-19 ANTIBODY STUDY FOR CHILDREN AND TEENS

Inova Children's Hospital and the Virginia Department of Health (VDH) are conducting a study to learn about the spread of COVID-19 in the children of Northern Virginia.

We are enrolling participants all around Northern Virginia! Study participation will involve answering some questions and a blood test to determine the immune response to COVID-19. Study participation is limited to one child per household

Testing is FREE and CONFIDENTIAL!

If you/your child:

- is 0 - 19 years old
- lives in Virginia
- Speaks English or Spanish at home
- is healthy or have had previous confirmed COVID-19 illness

...then you or your child is qualified to participate in the study!
